

Identification of Substance

Product Name: ACT Pack
Catalogue Number: 77-10-010
Manufacturer: Labnovation Technologies, Inc.
 1F, W2-B Building, Keji 2 Road South, Hi-Tech Industrial Park
 Shenzhen 518057, China
Emergency Call: +86 755 86368328

Composition and Information on Ingredients

Hazardous Ingredients per EU criteria: Quaternary Ammonium Salts<3%

Hazardous Identification

Potential Health Effect	Irritation of skin, eyes, and mucous membrane may be resulted in by Exposure.	
Product Hazard Classifications	EU	Xi; R36/37/38
Reactivity	Minimal risk	

First Aid Measures

Ingestion	Call physician for medical attention if the product is taken internally. Do not attempt to induce vomiting, or to give any solid or liquid by mouth if the exposed subject is unconscious or semi-conscious.
Inhalation	Remove exposed individual to fresh air. If irritation or signs of toxicity occur, seek medical advice immediately.
Skin Contact	Wash the skin area with soap and water. Rinse with copious amount of water.
Eye Contact	Wash immediately with clean and flowing water. Continue for at least 15 minutes. Obtain medical advice if pain or irritation occurs.

Fire-fighting Measures

Fire and Explosion Hazard	Not applicable
Extinguishing Media	Use extinguishing media for surrounding fire.
Special Fire and	No special hazards
Explosion Hazard	
Hazardous Combustion Products	No combustion products posing significant hazards are expected from this product.
Protective Equipment	Self-contained breathing apparatus and full protective equipment are recommended for firefighters.
for Firefighters	

Identification of Substance

Product Name: 5Diff Fix
Synonyms: Lysing solution of Hematology Reagent
Catalogue Number: L-8547171
Manufacturer: Labnovation Technologies, Inc.
 1F, W2-B Building, Keji 2 Road South, Hi-Tech Industrial Park
 Shenzhen 518057, China
Emergency Call: +86 755 86368328

Composition and Information on Ingredients

Active Ingredients: Sodium Chloride <1.00%
 Formic Dye <0.005%

Hazardous Identification

Potential Health Effect	Liquid. Blue-violet to black. Opaque. Alcohol odor. Nonflammable. Irritation of eyes and mucous membrane may be resulted in by contact.		
Product Hazard Classifications	EU	US OSHA	WHMIS
	None	Yes	Exempt
Reactivity		Minima risk	

First Aid Measures

Ingestion	Call physician for medical attention if the product is taken internally. Do not attempt to induce vomiting, or to give any solid or liquid by mouth if the exposed subject is unconscious or semi-conscious.
Inhalation	Remove exposed individual to fresh air. If irritation or signs of toxicity occur, seek medical advice immediately.
Skin Contact	Wash the skin area with soap and water. Rinse with copious amount of water.
Eye Contact	Wash immediately with clean and flowing water. Continue for at least 15 minutes. Obtain medical advice if pain or irritation occurs.

Fire-fighting Measures

Fire and Explosion Hazard	Not applicable
Extinguishing Media	Use extinguishing media for surrounding fire.
Special Fire and Explosion Hazard	No special hazards
Hazardous Combustion Products	No combustion products posing significant hazards are expected from this product.
Protective Equipment for Firefighters	Self-contained breathing apparatus and full protective equipment are recommended for firefighters.

Accidental Release Measures

Personal Precautions	Use good laboratory procedures
Clean-up Methods	Wipe up spill and place in containers suitable for disposal.
Environmental Precautions	For large spills, take precautions to prevent entry into waterways, sewers, or surface waters.

Handling and Storage

Safe Handling	Avoid contact with eyes. Use good laboratory procedures.
Recommended Storage Conditions	Keep in the original packaging at the labeled temperature.
Protection against Explosion And Fires	No special measures required. Refer to the product label for additional information on storage conditions.

Exposure Controls and Personal Protection

Engineering Controls	Use in well-ventilated rooms. No special engineering controls are required.
Respiratory Protection	Under normal conditions. No respiratory protection is required of the use of this product.
Hand Protection	Impervious gloves are recommended if hand contact with the material is anticipated.
Eye Protection	Safety glasses or goggles are recommended if danger of splashes may be present.
Skin Protection	Laboratory coat or appropriate clothing is needed when working with the product.

Chemical and Physical Properties

Appearance	Liquid
Color	Blue-violet to black
Odor	Alcohol odor
PH	6.8 ± 0.2
Boiling Point	NA
Melting Point	NA
Flash Point	NA
Flammability	Not flammable
Auto Flammability	Not flammable
Density	NA
Solubility	Water: Miscible

Fat: NA

Chemical and Physical Properties

Stability	Stable under normal temperatures and pressures.
Materials to Avoid	Incompatible with acids, bases and strong oxidizers.
Conditions to Avoid	None determined.
Hazardous Decomposition Products	No dangerous decomposition products known.

Toxicological Information

Toxicity Data	NA
Routes of Exposure	Skin, eyes, inhalation and ingestion
Potential Effects of	May cause irritation of the nose, throat, skin, and eyes.
Acute Exposure	
Potential Effects of	Long-term exposure may result in liver toxic.
Chronic Exposure	
Symptoms of Overexposure	Chronic overexposure may produce effects similar to acute exposure.
Carcinogenicity	This product does not contain a reportable concentration ($\geq 0.1\%$) of any ingredient listed as carcinogen by 67/548/EEC Annex I .

Ecological Information

General Notes	Do not introduce undiluted product or large quantities of it to reach surface water, water supply, or sewage system.
---------------	--

Disposal Considerations

Waste Disposal	Dispose unused product, packaging in accordance with local regulations. If unsure of the applicable requirements, contact the authorities for information.
----------------	--

Transport Information

Transportation of this product not regulated according to the definition of hazardous in 49CFR (US DOT). Transportation of this product is also not regulated by IATA, ICAO, Canadian TDG or European ADR.

Regulatory Information

SARA 313	No compounds listed.
CERCLA RG's, 40 CFR 302.4	No compounds listed.
California Proposition 65	No compounds listed.
Massachusetts MSL	No compounds listed.
New Jersey Dept. of Health RTK List	No compounds listed.
Pennsylvania RTK	No compounds listed.
EU Labeling Classification	
None

Color	Colorless
Odor	Odorless
PH	9.60 ± 0.3
Boiling Point	NA
Melting Point	NA
Flash Point	NA
Flammability	Not flammable
Auto Flammability	Not flammable
Density	NA
Solubility	Water: Miscible
	Fat: NA

Chemical and Physical Properties

Stability	Stable under normal temperatures and pressures.
Materials to Avoid	Incompatible with acids, bases and strong oxidizers.
Conditions to Avoid	None determined.
Hazardous Decomposition Products	No dangerous decomposition products known.

Toxicological Information

Toxicity Data	NA
Routes of Exposure	Skin, eyes, inhalation and ingestion
Potential Effects of	May cause irritation of the nose, throat, skin, and eyes.
Acute Exposure	
Potential Effects of	Long-term exposure may result in liver toxic.
Chronic Exposure	
Symptoms of Overexposure	Chronic overexposure may produce effects similar to acute exposure.
Carcinogenicity	This product does not contain a reportable concentration ($\geq 0.1\%$) of any ingredient listed as carcinogen by 67/548/EEC Annex I .

Ecological Information

General Notes	Do not introduce undiluted product or large quantities of it to reach surface water, water supply, or sewage system.
---------------	--

Disposal Considerations

Waste Disposal	Dispose unused product, packaging in accordance with local regulations. If unsure of the applicable requirements, contact the authorities for information.
----------------	--

Transport Information

Transportation of this product not regulated according to the definition of hazardous in 49CFR (US DOT). Transportation of this product is also not regulated by IATA, ICAO, Canadian TDG or European ADR.

Regulatory Information

SARA 313	No compounds listed.
CERCLA RG's, 40 CFR 302.4	No compounds listed.
California Proposition 65	No compounds listed.
Massachusetts MSL	No compounds listed.
New Jersey Dept. of Health RTK List	No compounds listed.
Pennsylvania RTK	No compounds listed.
EU Labeling Classification	
None	

Other Information

This document is based on our present knowledge and relevant scientific literatures. Labnovation Technologies, Inc. makes no warranty or representation as to its accuracy, or validity. Users should consider these data only as supplement to other information gathered by them and must make independent determination of the suitability and completeness of information from all sources to ensure proper use and disposal of these materials and for the safety and health of employees and customers.

If for internal purposes only, unlimited paper copies of this MSDS are permitted.

Identification of Substance

Product Name: Isotonic Diluent
Synonyms: Diluent of Hematology Reagent
Catalogue Number: L-8546733
Manufacturer: Labnovation Technologies, Inc.
 1F, W2-B Building, Keji 2 Road South, Hi-Tech Industrial Park
 Shenzhen 518057, China
Emergency Call: +86 755 86368328

Composition and Information on Ingredients

Active Ingredients: Sodium Chloride<1%

Hazardous Identification

Potential Health Effect	Liquid. Odorless. Nonflammable. Irritation of eyes and mucous membrane may be resulted in by contact.		
Product Hazard Classifications	EU	US OSHA	WHMIS
	None	Yes	Exempt
Reactivity	Minima risk		

First Aid Measures

Ingestion	Call physician for medical attention if the product is taken internally. Do not attempt to induce vomiting, or to give any solid or liquid by mouth if the exposed subject is unconscious or semi-conscious.
Inhalation	Remove exposed individual to fresh air. If irritation or signs of toxicity occur, seek medical advice immediately.
Skin Contact	Wash the skin area with soap and water. Rinse with copious amount of water.
Eye Contact	Wash immediately with clean and flowing water. Continue for at least 15 minutes. Obtain medical advice if pain or irritation occurs.

Fire-fighting Measures

Fire and Explosion Hazard	Not applicable
Extinguishing Media	Use extinguishing media for surrounding fire.
Special Fire and	No special hazards
Explosion Hazard	
Hazardous Combustion Products	No combustion products posing significant hazards are expected from this product.
Protective Equipment	Self-contained breathing apparatus and full protective equipment are recommended for firefighters.
for Firefighters	

Accidental Release Measures

Personal Precautions	Use good laboratory procedures
Clean-up Methods	Wipe up spill and place in containers suitable for disposal.
Environmental Precautions	For large spills, take precautions to prevent entry into waterways, sewers, or surface waters.

Handling and Storage

Safe Handling	Avoid contact with eyes. Use good laboratory procedures.
Recommended Storage Conditions	Keep in the original packaging at the labeled temperature.
Protection against Explosion And Fires	No special measures required. Refer to the product label for additional information on storage conditions.

Exposure Controls and Personal Protection

Engineering Controls	Use in well-ventilated rooms. No special engineering controls are required.
Respiratory Protection	Under normal conditions. No respiratory protection is required of the use of this product.
Hand Protection	Impervious gloves are recommended if hand contact with the material is anticipated.
Eye Protection	Safety glasses or goggles are recommended if danger of splashes may be present.
Skin Protection	Laboratory coat or appropriate clothing is needed when working with the product.

Chemical and Physical Properties

Appearance	Liquid
Color	Colorless
Odor	Odorless
PH	7.93 ± 0.5
Boiling Point	NA
Melting Point	NA
Flash Point	NA
Flammability	Not flammable
Auto Flammability	Not flammable
Density	NA
Solubility	Water: Miscible

Fat: NA

Chemical and Physical Properties

Stability	Stable under normal temperatures and pressures.
Materials to Avoid	Incompatible with acids, bases and strong oxidizers.
Conditions to Avoid	None determined.
Hazardous Decomposition Products	No dangerous decomposition products known.
